

# SERBIA - NORWAY Scholarship Scheme Spring 2012

The staff at the Norwegian University of Science and Technology (NTNU) in Trondheim are pleased to announce scholarships for Master students at the University of Nis and extend a hearty welcome to you for Spring semester 2012

## **Who can apply?**

Master students from the following faculties at The University of Nis:

- Economics
- Electronic Engineering
- Mechanical Engineering
- Medicine
- Occupational Safety
- Sport and Physical Education

## **What does it cover?**

The scholarship will cover your living expenses for the whole period you are studying in Trondheim. Successful applicants will receive a monthly grant of approx. EURO 1000. The scholarship will also cover your VISA costs, return travel Serbia- Norway and health insurance.

The credits gained at NTNU should be fully recognized as part of your Masters's degree at the University of Nis. You should apply for one (30 ECTS credits) or two semesters (60 ECTS).

You are supposed to follow courses that are taught in English so there is a requirement that you have a good command of English. You should design your study plan at NTNU in cooperation with the responsible faculty staff at Nis.

You will become a part of a large International student community. Each year NTNU receive around 800 exchange students from all over the world. In the beginning of each semester we arrange orientation days during which you will meet both other international students as well as representatives from various student organisations.

## Preparing for registration:
