

Summer School 2013 at the Technical University (TU) Munich

for graduates and master students involved in DAAD Stability Pact Projects

The German Academic Exchange Service offers scholarships to attend an intensive German Language course at the Technical University of Munich from 15 July – 04 August 2013

The offer includes:

- **an intensive German language course (Credit - transfer according to ECTS)¹**
- **company visits**
- **cultural trips**
- **workshops at the TU Munich on various topics**
- **introduction to German and European culture**
- **accommodation (student dormitories). Because of the difficult housing situation in Munich please be aware that only 4 bed rooms can be offered.**
- **pocket money (150 €) and a travel allowance (lump sum)²**

Please note: This scholarship announcement is not an open call. It is exclusively designed for the following circle of participants:

- **students and graduates (e.g. bachelor and master students, doctoral candidates) from networks of the DAAD programme “Academic Reconstruction in South Eastern Europe”, potential candidates will be informed by the project coordinators**

Students/graduates who have attended previous Winter Schools in Munich are excluded from this offer. Direct application to the DAAD is not possible.

Application procedure: Applications must be sent to the German project coordinator by the 02th of April the latest, who will forward them to the DAAD – including a statement/recommendation letter from his side – by April 15th.
